ECHO 1974

Enfield High School
Enfield, Connecticut

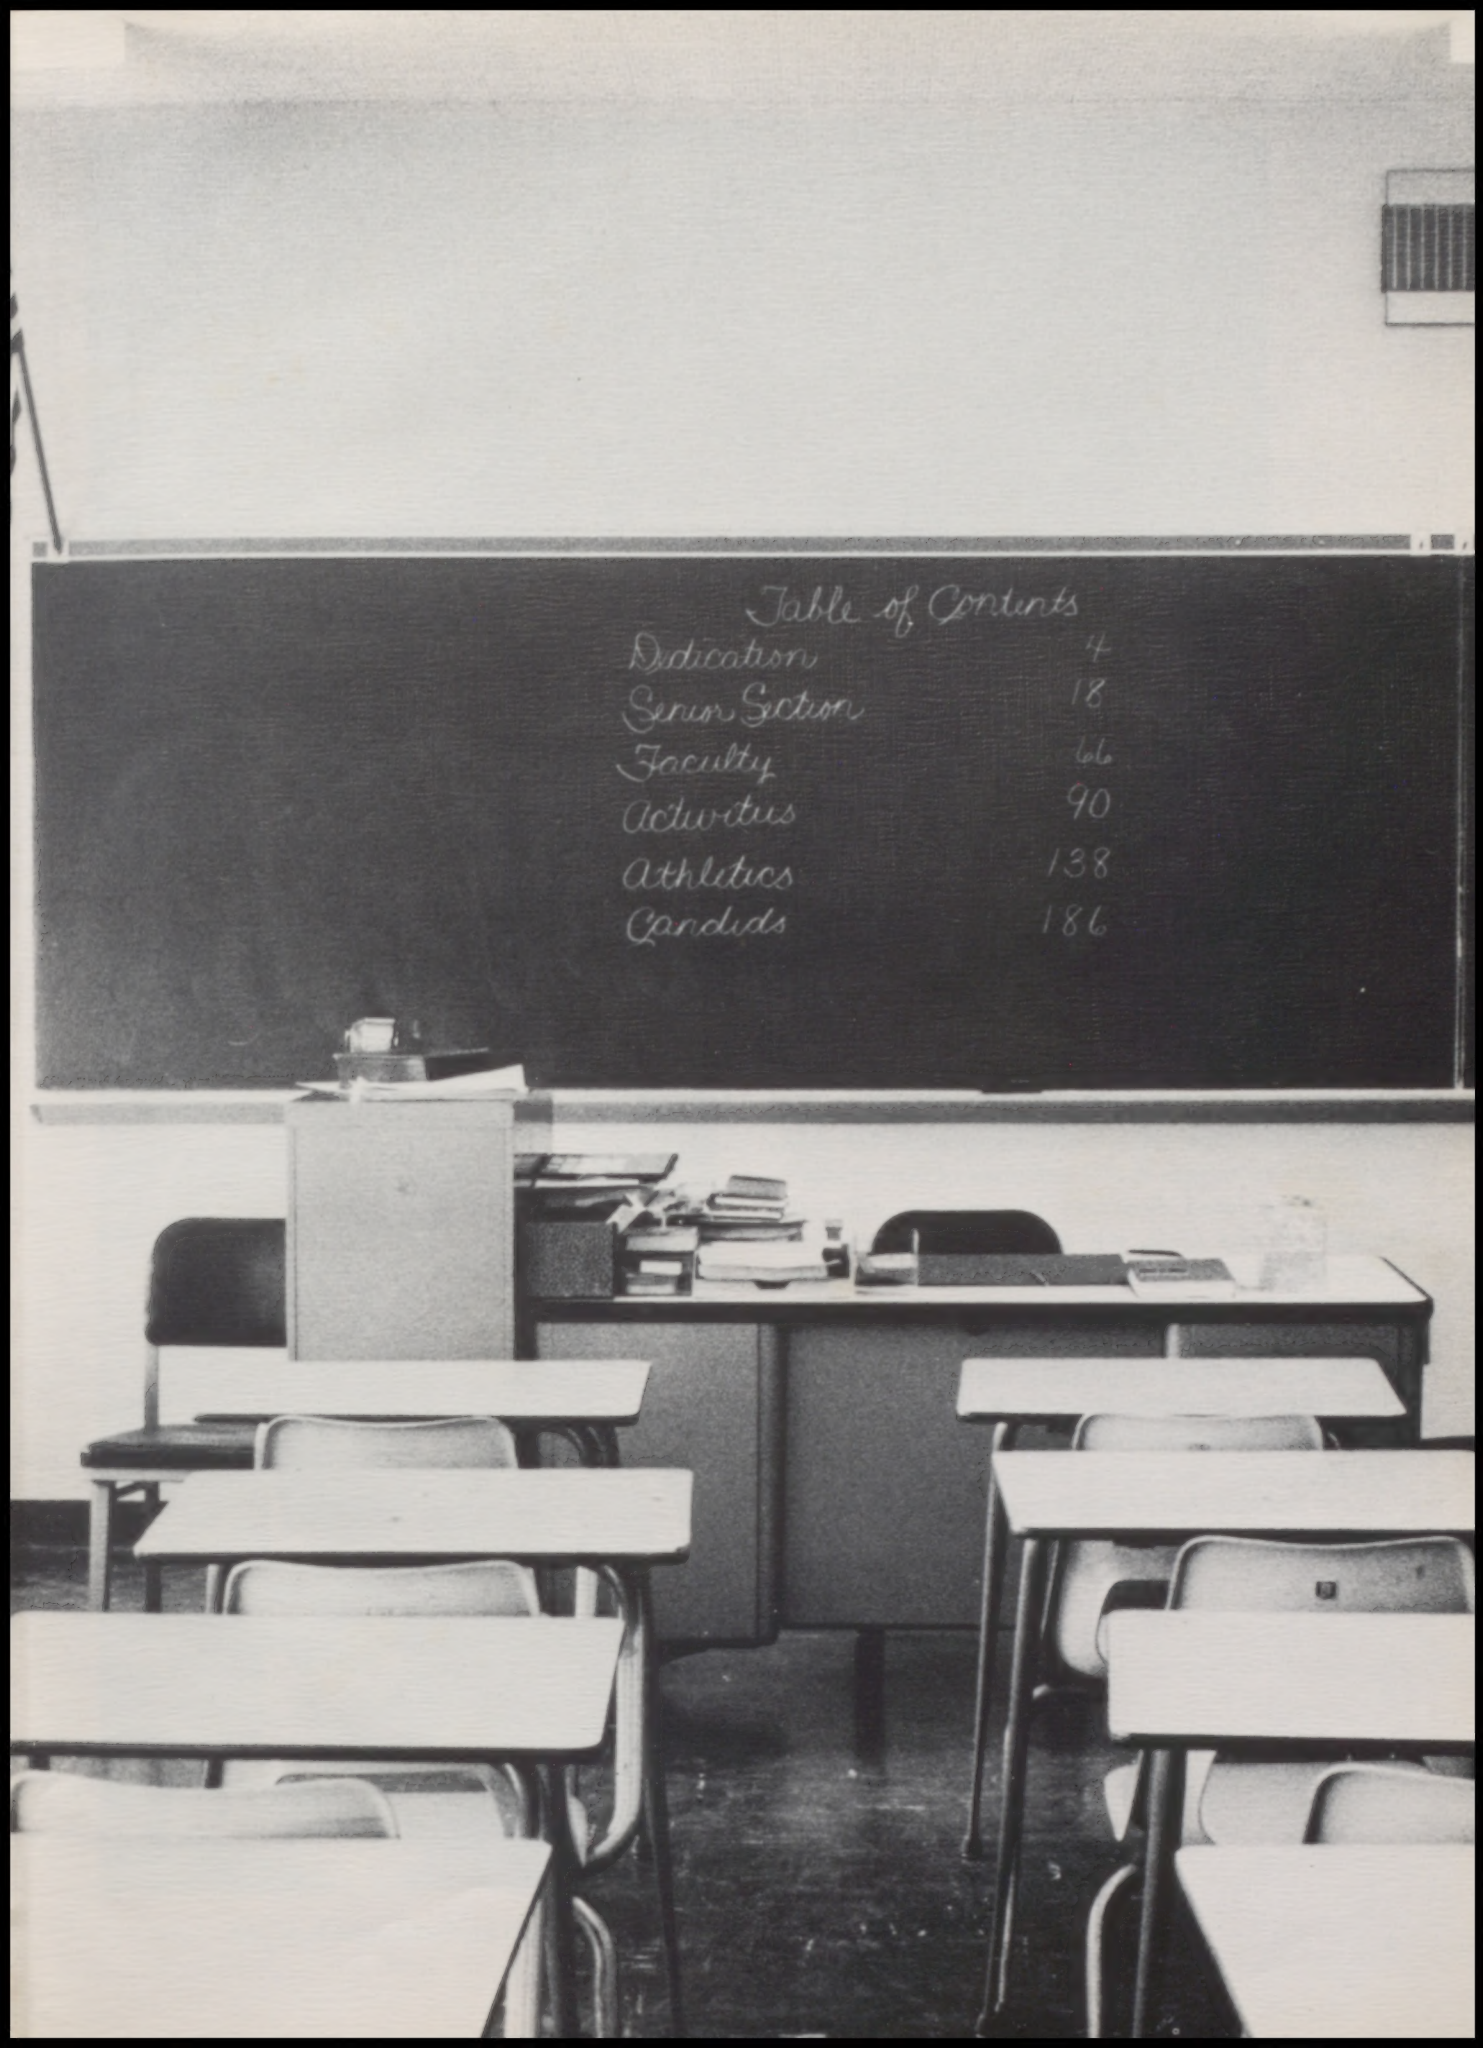

During the three short years spent at Enfield High School, we, the Class of 1974, have learned the true meaning of the word strength. Gaining guidance and a sense of understanding from faculty members, it was a feasible goal to touch upon and one that helped us grow in the process. Together we sought a motive for our lives and as formal education draws to a close, we find ourselves fulfilled and triumphant.

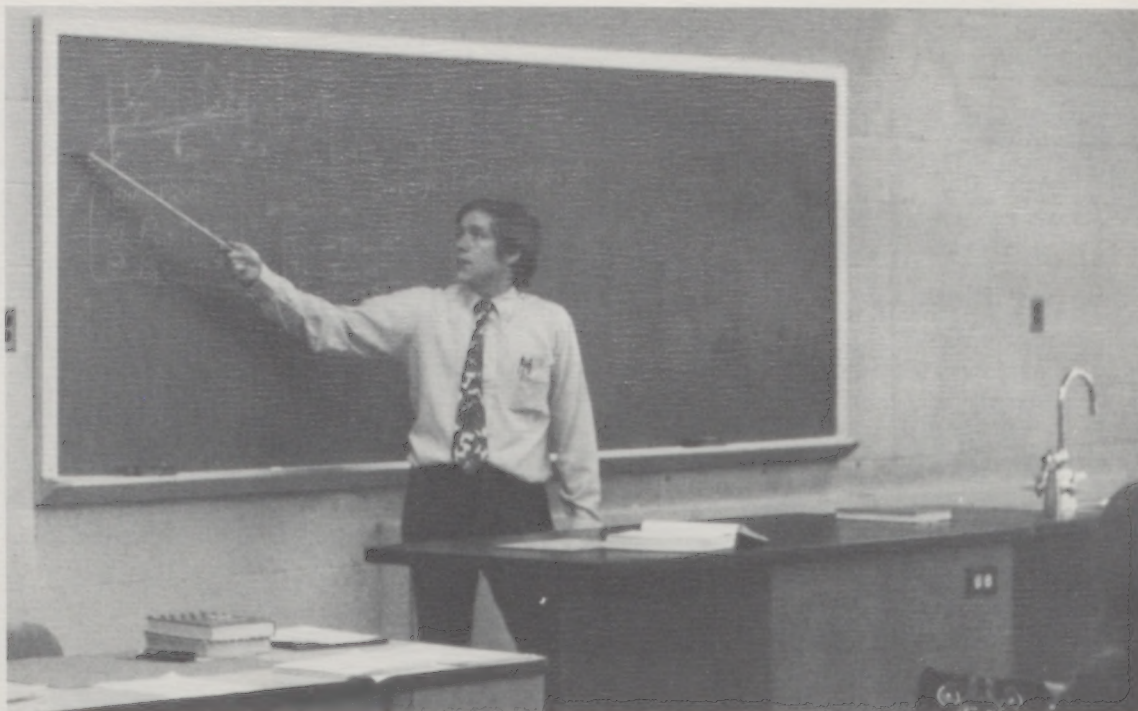

Strength cannot be measured by one individual. It is the joint effort of serious people who mature together by learning as one. With strength comes the wisdom of experience, and the awareness of the debt we owe to those who have brought us this far. There is no time like the present to prepare ourselves for the responsibilities into which we are entering.

The future does not belong to those who are satisfied with today and who frequently scan their yesterdays. It is for the bold, the wise, and the strong in spirit; for those who can mix passion, courage, and action into a commitment to their world and fellow man. The Class of 1974 has a lot to offer, and we can make for ourselves a beautiful, satisfying tomorrow.

DEDICATION

We, the class of 1974, came to Enfield High School three years ago. In these past few years, the student leaders of our class have been responsible for many constructive changes in the activities of our school.

New ideas need direction. In order to utilize the strength of our class, we required guidance from understanding members of the faculty who were also ready for change and new ideas. Mr. Stephen Smith and Mr. Michael DeRose have been instrumental in the success of all our class functions. It is therefore our privilege to dedicate the 1974 Echo to these two irreplaceable men.

Anne Mullen

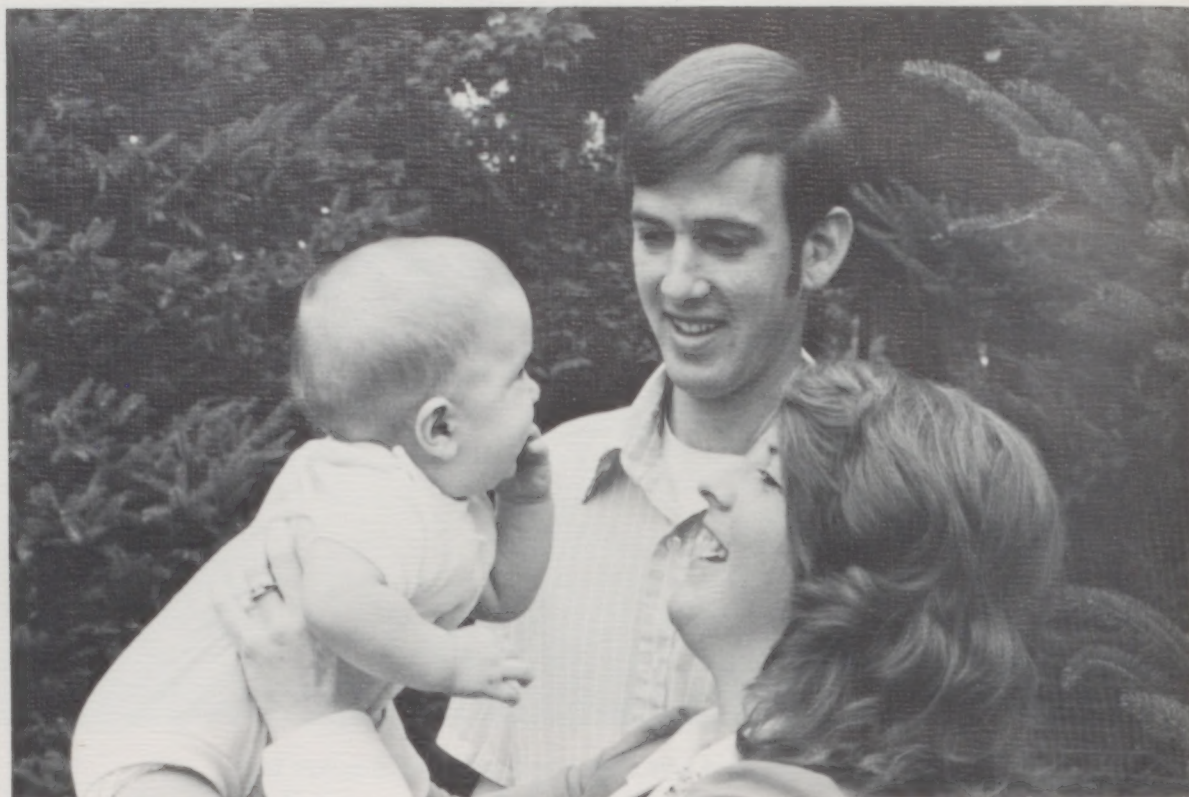

Mr. and Mrs. Stephen Smith and Stephen III

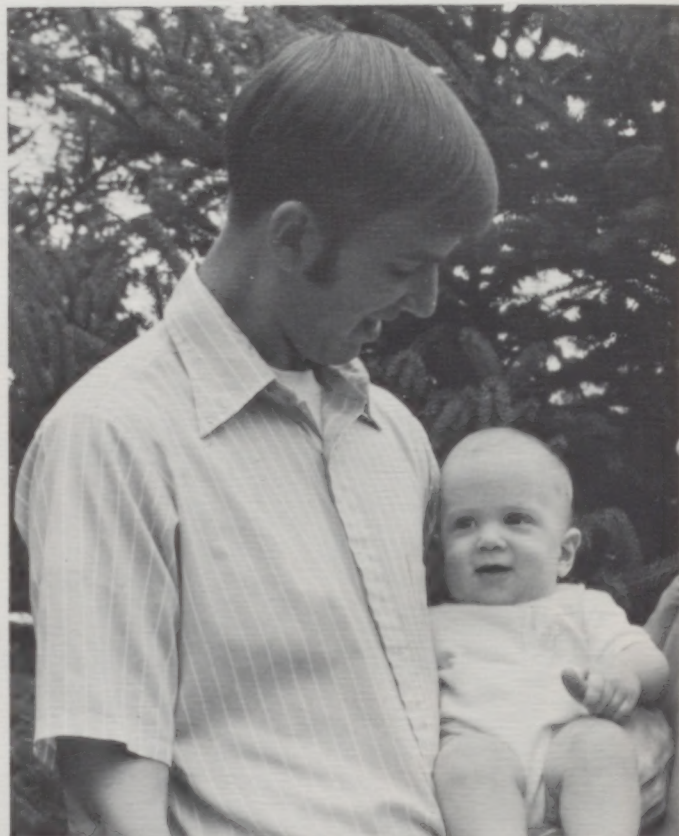

Mr. and Mrs. Michael DeRose

Mr. Smith, how could we ever forget your tremendous help with our Misquamicut Beach trip? You brought us laughter and unforgettable memories with your slides and quiet wit. This is above and beyond what we expected. You have expanded the role of advisor and chaperone to that of a friend. We will always remember you for that.

Mr. DeRose, you have shown yourself to be not only an ideal teacher, but a good sport as well (remember Slave Day and the baseball trip?) You have joined us in creating profitable and entertaining school activities, which walk hand in hand with the importance of schoolwork. You have been a friend as well as an advisor. Thank you for enriching our years at Enfield High School.

*We were given
strength
in our childhood*

*by those who saw
a future
waiting for us,*

if we were prepared.

*Now we are showing them
the potential in our generation,*

*by giving each other
the strength
to achieve our goals.*

*Soon we must take
our lives
into our own hands,*

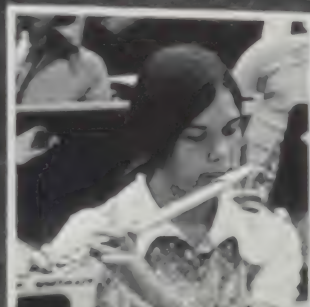

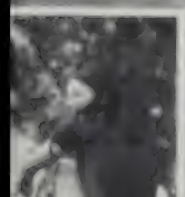

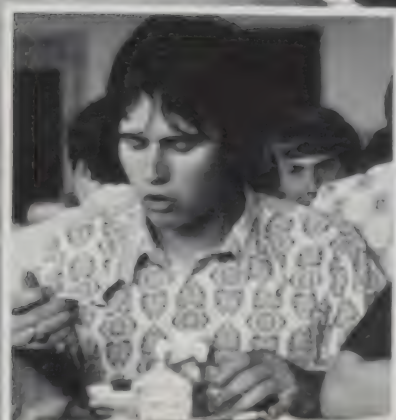

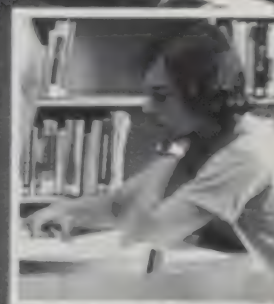

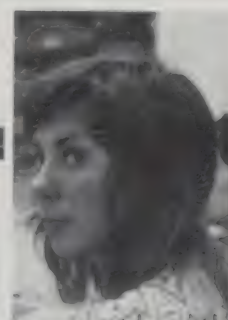

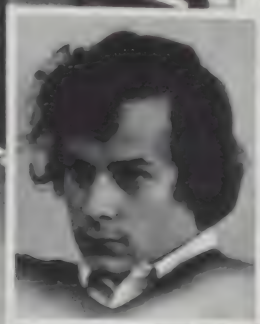

*and utilize the skills
we have acquired.*

We have been guided by the strong.

Let us be the strength of our time.

We all entered Fairfield High School as freshmen, and many of us have fulfilled their desires and some have not. But this does not quench my thirst for knowledge.

Recalling these past years, the fantasy of graduation was distant, even now, that fantasy is becoming a reality. Soon we must take our lives along with a zest and strong attitude, and face the future, willing and prepared.

We should always remember the good times we had during our high school. This is where our values and attitudes were formed and tested, and by the time we were molded for our new lives.

Taking our future dreams up and dreaming our dreams with no way to know we will never pass this time again.

RAIDER SNACK SHACK

The annual Senior Class job of operating the football concession stand came to us this year, along with the Booster Club's support and many new ideas. With the purpose of earning money for the Booster Club as well as our class, the students and adults put together a new tradition for Enfield High School, The Raider Snack-Shack.

Dear Class of 1974,

It is with a genuine feeling of pride that I congratulate and at the same time bid farewell to the Class of 1974. I am proud to have played a small role in providing you with an education upon which you can build a bright and fulfilling future.

It is with mixed emotions that I say goodbye to you. I am sorry to see you leave Enfield High School, because the Class of 1974 is outstanding in many ways. At the same time I am happy for and even envy you, as you approach the truly exciting stage in life when you take your place in the complex and challenging adult society. With this transition, come new avenues leading to new goals, new achievements and new challenges. I pray that the education and the related experiences that you received during your high school career will provide the wisdom necessary for you to meet successfully all obstacles that you face as graduates.

Please accept my most sincere wishes for continued success in all your endeavors. I will miss the Class of 1974, for you have been a credit to Enfield High School.

Sincerely,
Mr. Leo Yaconiello
Principal

Administration

To the Class of 1974:

"DILIGENCE IS THE MOTHER OF GOOD FORTUNE."

MY SINCERE BEST WISHES IN YOUR FUTURE YEARS.
Alan K. Tracy, Asst. Principal

To the Senior Class:

I wish you well on the commencement of your new life beyond Enfield High School. May this life experience surpass that success which you have known to this point in your lives.

Being new to Enfield this year, I have been made to feel welcome at your school largely due to the pleasant atmosphere you have in great measure helped to create. I did not know many of you well, and I'm poorer for that. But I thank you for your legacy of good will since I hope I will be privileged to enjoy your school for many years to come.

Bon Voyage,
W. J. Skehan
Asst. Principal

Mr. W. J. Skehan, Mr. Alan Tracy, and Mr. Leo Yaconiello.

Guidance

Mr. Stanley zuZel

The Guidance Department has three guidance counselors: Miss Perdrizet, Mr. Hellstein, and Mr. zuZel. Additionally, they have Mr. Cloutier as a Career Counselor. With mini-courses in our programs, there is a greater need than ever for counseling because of the increase in choices. To this end, we employ the counselors and the Careers Resource Room to expand on information. In a seven period day, some students are taking the opportunity to do research for further education and careers there. The counselors work not only with our present school population, but also with past graduates, and parents. Their services are available from before school in the morning until beyond school hours in the afternoon. They are also working one week after school terminates and one week prior to school opening for consultations and program changes.

Evenings are sometimes scheduled for parents unable to meet with counselors during their work days by school administrators.

Mr. Richard Hellstein

Miss Ida Perdrizet

Mr. Raymond Cloutier

Library

The library collection contains books, periodicals and pamphlets on all the school subjects from automobile mechanics to English drama.

The reading interests of young people are reflected in the great number of paperbacks and the many books on current social problems.

Audio-visual materials, such as phonograph records, tapes and filmstrips, supplement the printed collection to make the library a true "learning center."

By continual evaluation of curriculum and constant search for variety of material, the English Department seeks to respond to the needs of Enfield High School students.

It is our hope that by thoughtful selection of courses and by active involvement in them, each student can enjoy increased competence in handling language and a growing knowledge of self.

Social Studies Department

The 1973-1974 school year was one of continual attempts to provide avenues for self-realization and self-fulfillment for students in Social Science classes. The Social Science curriculum has been designed to provide choices for students taking the Social Science classes. It is hopeful that their choices increase the possibility for all students to make some meaningful contact with society and its problems.

Social Studies Lab

The basic philosophy of the lab is for learning to come alive through the hands of the students. This is a place of innovative learning. The students in the lab learn to work with teachers; they share ideas and help each other with various projects. Students in the lab also teach teachers and other students to use photographic equipment, tape recorders, and all types of technical aides. Working in the Social Studies Lab is a real learning experience.

Business Department

The Business Department's curriculum offers comprehensive training in the basic skills needed for immediate entry in office and business related occupations. Opportunities are available for experiencing on-the-job training simultaneously with academic exposure in school. These opportunities apply to the areas of office occupations and the field of distribution. In addition, courses are offered as a stepping stone to further study.

MATH

The Mathematics Department offers an expansive selection of courses in an attempt to meet the needs of all students. These offerings range from introductory courses for those who desire a practical mathematics, to theoretical courses for those who will pursue mathematics beyond high school.

A Resource Center is available to the students which affords a conducive, yet informal, atmosphere in which to study and to experiment independently.

Scientific knowledge is increasingly important to all of us today. In recognition of this, the Science Department continues to evaluate and incorporate changes in the science curriculum. Independent study is offered to interested and capable students.

Two major firsts were realized for Enfield High this year. One was the initiation of a double-lab period for science classes; the other, was the start of the Cooperative Program for Superior High School Students with the University of Connecticut for college credit. Students enrolled in Advanced Chemistry were able to apply for acceptance to this program for college credit. The full year courses offered to the students are: Advanced Biology, Advanced Chemistry, Biology, Chemistry, Physical Science, and Physics. The half year courses include: Advanced Genetics, Anatomy & Physiology, Astronomy 1 and Astronomy 2, and Ecology.

Foreign Language

The Foreign Language Department at Enfield High has continually encouraged students to study a foreign language not only to expand their knowledge of other cultures but also to improve their potential in the world of work.

French, German and Spanish are taught in an approach that is audio-visual with emphasis on the sounds and grammar patterns of the spoken language. Latin also is presented in a dynamic manner with audio-visual materials that help the student develop a better cultural understanding of classical antiquity and its implications in the present.

This year has been one of growth for the Department of Family Living and Consumer Education. Greater numbers of students are finding the courses offered to be a vital part of their high school programs, and many boys are now making contributions in all areas. In addition to enrollment increases in the areas of clothing and food, interior design, consumer education, and the Child Development and Human Relations courses have proved to be of special interest to students. The implementation of the nursery school laboratory has made the Child Development program more attractive. The Course provides a valuable experience in preparing for parenthood and for vocational opportunities, the Human Relations course helps students to analyze and clarify personal values and goals which influence their relationships with others.

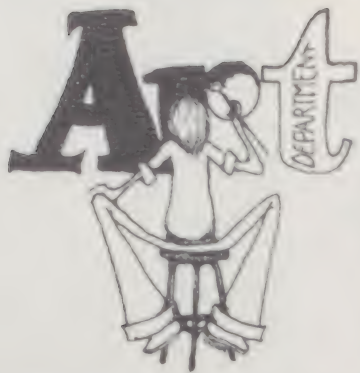

The success of the program indicates that student interests and needs are being met.

Mrs. Marsha Mirkin

Miss Margaret Chamberlain

This was a dynamic year in the Art Department. More courses gave the opportunity for more students to exercise their creative abilities. Student art work was continuously on exhibit throughout our building from the library to the shop wing giving pleasure to the entire student body and staff. It's obvious that the Art Department at Enfield High School is developing the aesthetic expression of the individual in our contemporary mechanized society.

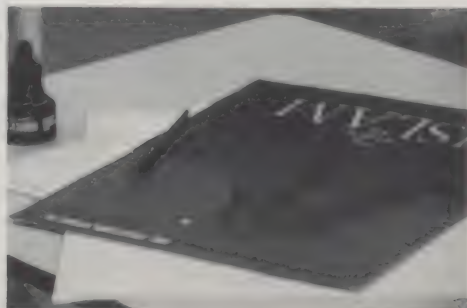

Mrs. Barbara Kemnitzer

Miss Charlotte Yale

Mr. Newell Murri

The program in Industrial Education offers students an opportunity to explore and become acclimated to modern industrial techniques.

Occupational skills, consumer knowledge and leisure time are an integral part of curriculum offerings.

The courses include Home Mechanics, Automotive Maintenance, Electricity and Electronics, Technical Drawing, Architectural Drafting, and Material Processing, Wood Technology, and Metal Technology.

Mr. William Noyes

Mr. Charles Hryniewicz

The Music Department of Enfield High School encompasses three areas of specialization: instrumental, classroom and vocal music.

The instrumental area, under the direction of Mr. Dana Hawes, includes the marching and concert bands, as well as a string ensemble and individual instrumental study. Several members of our band have continued their pursuit of a career in music, both in military musical organizations and in solo or group performances. We at Enfield High School could always depend upon our musicians to get us into the spirit of things, either at athletic events or during the holiday seasons.

The classroom curriculum is aimed to accomodate three different kinds of students: the general student, who may include the History of American Music (Music II) or Electronic Music in his studies; the college bound liberal arts and elementary education majors and the music minor, who would find the History of European Music and Counterpart (Music III) both necessary and helpful; and the advanced music major, who would study advanced Music under the capable guidance of Mr. Leonard DeMaio.

Mr. Rocco Autorino is the man in the director's chair when our mixed and select choruses take to the risers for a performance. Mr. Autorino, an accomplished vocalist in his own right, selects music from a wide span of numbers, ranging from early sacred music to contemporary folk numbers. The vocal class which he conducts helps the student gain confidence in his solo work, improve his vocal technique, and realize the potential of his own voice.

The Music Department, which has been consistent in turning out fine music students with a college acceptance rate of 85%, has also received numerous awards and grants for its fine work. The Electronic and American Music courses have received government grants, and the latter had also been awarded a National Freedom Foundation Grant and the Downbeat Jazz Award. Compositions produced by alumni of our department have been performed at Trinity College, the University of Connecticut, on the National Education Television network and at the National Music Teacher's Conference.

Physical Education

The Physical Education Department of Enfield High School offers a wide variety of activities. These activities include many individual sports such as archery, tennis, handball, gymnastics, and field events. It also offers such team games as speedball, volleyball, softball, soccer and field hockey.

It is the main objective of the department to provide a wide background of activities that can be enjoyed after a student leaves Enfield High. The program also includes such intramural programs as flag football, basketball, handball, volleyball, softball, track and field, and tennis.

This year the Physical Education Department has initiated a selective program for Juniors and Seniors. With this idea, students have a choice of activities in the area of most interest to them.

Driver Education

The Enfield High School driver and traffic safety department contributes its resources to introducing young people to the highway transportation system. Preparing its students to be informed and active supporters of sound traffic safety programs are the major goals of the department. Although driver and traffic safety education is only one force that influences operator behavior, it is probably one of the most powerful influences. The course, although it cannot change student's "style of life," it can change his "style of driving".

The Enfield High School Band was something we were very proud of. All the members put in many hours of hard work and practice. They attended all home football and basketball games. During these games they promoted spirit and provided entertainment at half-time. The Band represented our school well.

PICCS

OF APRIL

Host and Hostess
John Glynn and Kathy Morrell

Our first prom, "Pieces of April", was held on April 14, 1973 at the Willow Glen. We were greeted at the door by our gracious Host and Hostess, John Glynn and Kathy Morrell. After a delicious dinner, the musical setting was provided by the well-known Main Street Band. All too soon, the romantic evening was ended to the appropriate tune "It's Over."

"Guess what, she didn't see you take that one."

"Now if the music would start."

"My finger tastes better than yours."

"Should I ask her to dance?"

"May I have your attention please."

"One, two, cha-cha-cha."

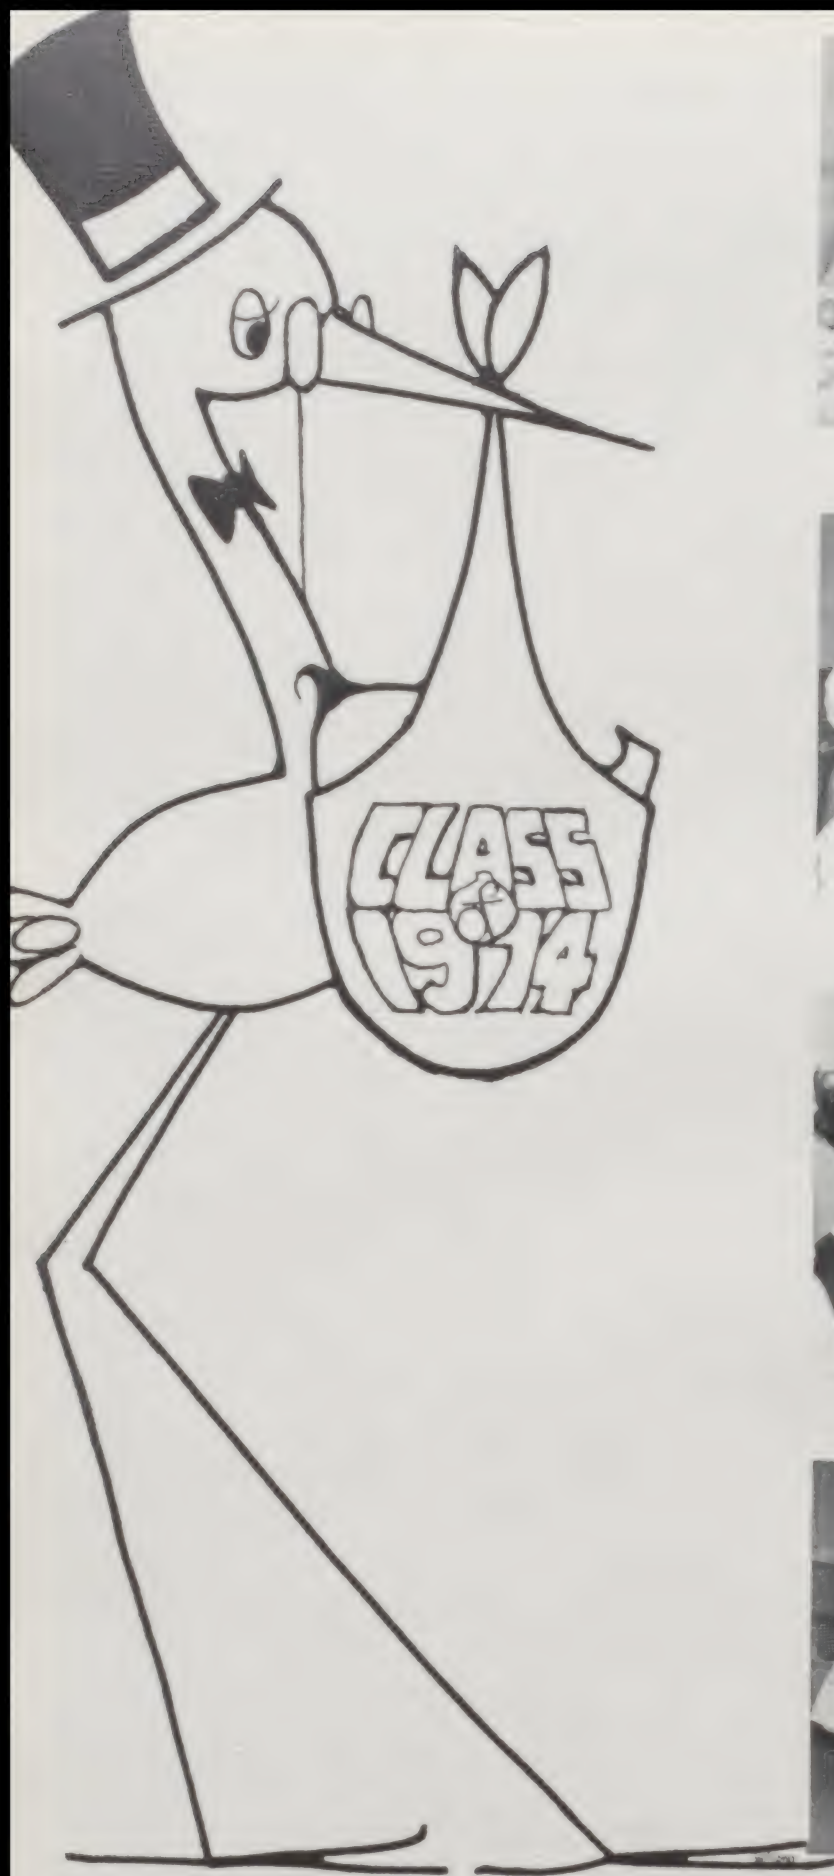

"Hey look, I can FLY."

Pete Alaimo and Mr. Fogarty, Advisor, having a serious discussion.

For the fourth consecutive year, Enfield High School competed in the Channel 22 quiz program, "As Schools Match Wits." Taped on October 9, the game against Classical High School proved to be a fight to the finish. The final score was 200-180 in favor of Classical. Three weeks later, on October 27, the match was televised.

From a field of 12 contestants, 4 panalists and 1 alternate were chosen. Seniors Julie Kozacka, captain, and Bob Cummings, together with Juniors Pete Alaimo, Marty Cass, and Patty McGowan performed outstandingly. Special recognition is given to Mr. John Talbot and Mr. William Fogarty, faculty advisors, along with Pat Smith and Barb Leander, Senior Committee advisors.

In the future, as we look back on our three delightful years here at Enfield High we will have many fond memories. For those of you who may forget we present these two pages in hopes it will refresh your memory. During this tour of our beloved institution, relax, think back, and enjoy yourself.

As you're driving down Enfield Street and you see this sign, you get a final warning that this is your last chance to turn around.

This is our cafeteria, also known as, "Cuillere Graiseuse." Through these doors have walked some of the hungriest people.

Cruising down the hill you'll notice this strategically placed on the lawn. You may wonder what it is but you'll never find anyone around here who can tell you. But there's a rumor

I wonder if this Green House has a lot of POTential?

Walking between floors you might just catch a fleeting glimpse of freedom.

"Escape! Escape! Sound the alarm!
Release the dogs!"

Women's Lib comes to Jock's Row — BRING ON THE STREAKERS!!!

This is a new co-ed gym class. Since this program has been established attendance is at record high.

VARSITY

During the 1973 football season the Raiders recorded their finest record in more than five years. Four captains were named: Pat Riley, Paul Roy, Mike Krikorian and Dan Donnelly.

The season was kicked off in Windsor Locks where our Raiders won convincingly 28-8. Pat Riley tossed T.D. passes to Tim Murphy and Craig Ackerman. Joe Seeley scored from 63 yards on an end sweep, and Ed Kostyk iced the cake when he rambled 60 yards with an interception. This fine performance was marred by the fact that Co-captain Mike Krikorian was lost for the year with an injury.

Against a tough East Hartford team, Enfield came away with a hard fought 14-8 victory. Seeley returned a punt 45 yards and Tim Murphy made a great catch on a pass from Riley for T.D.'s. The Green Machine shifted into high gear in its next two games.

South Catholic fell 29-0. Peluso raced for two T.D.'s and Seeley and Dippel also scored. The front line, led by Thibodeau, Durocner and Flower paved the way for Enfield runners.

Next the Raiders mutilated the Pulaski Generals 56-12. Six Raiders scored in the romp. Joe Seeley and Mike Caruso scored two each; Mike Peluso, Tony Brown and Bruce Soderlund scored one each.

Enfield lost a heartbreaker to Bulkeley 10-0. Bulkeley scored all their points in the first three minutes. Finding themselves behind for the first time this year, the defense came to life, clamped down, and shut the Bulldogs out. The offense was sparked by Tim Murphy's 5 pass receptions, but Enfield couldn't cross the goal. Three times the Raiders fought to within the 10 yard line and each time they were stopped.

The Green bounced back and trounced East Catholic 49-8. Joe

FOOTBALL

"The Jet" Seeley tore through the Eagles for 146 yards in 15 attempts and scored 3 T.D.'s. Riley scored twice, once on a pass from Junior quarterback Dippel, who also connected with Tim Murphy for six. The defense scored when Donnelly fell on a fumble.

A comeback try against Killingly failed 14-6. With 30 seconds left Pat Riley hit ace receiver Murphy for 30 yards and a score. The Raiders recovered an onside kick but there wasn't enough time. Seeley picked up 123 yards against the Indians.

Against state-ranked Northwest Catholic, Enfield played like a well-oiled machine. Every player starred in a 42-8 romp. Tim Murphy and Pat Riley teamed up for 4 touchdowns. Seeley seared Northwest for 155 yards and touchdown runs of 7 and 87 yards. All told the Raider offense gained 454 yards. The real story was Enfield's "Super Defense". Their rock-ribbed unit intercepted 6 passes and bruised many N. W. players.

For the second year the Raiders proved who was #1 as they clobbered the Falcons 39-21. Seeley blazed his way around, over and through Fermi for 5 touchdowns and 208 yards. "The Jet" scored on runs of 1, 12, 3, 18, 11 and 43 yards. Dippel added 6 on an 11 yard run. Mike Peluso and Bill Olschafski also enjoyed a fine day running as Enfield piled up 350 yards on the ground. The offensive line blew open huge holes for their running backs.

The Defense came through with another great game, holding Fermi to 29 yards rushing. Jim Hayden intercepted 2 passes and Rich Morris and Tim Murphy both played a steady game on defense. Despite Fermi's 2 touchdowns in the last minutes of the game, Enfield had already locked the game away.

VARSITY **SOCCER**

Many things were said before the opening of the Enfield Raiders' 1973 soccer season. Our young and inexperienced team was very underestimated, the reason being the loss of twelve soccer teammates to graduation. Many positions were filled by sophomores who lacked the experience of high school competition. Coach Bill Teed took the few seniors and juniors he had and combined them with the young talent of the sophomores to create a soccer team that struggled for a berth in the State Tournament.

Our first two games were not an example of the potential of Enfield's soccer team. We lost our first to Bloomfield 2-5, and the second to Windsor Locks 2-4. The next game brought EHS a 2-2 tie at Simsbury. We then stomped Hartford 4-0, followed by an upset loss to Fermi, 4-1.

From here on in we got together and decided that the only way we were going to show our school and fans that they had a team to be proud of was to win. The fans wanted it, but most of all we wanted it, and so we became a more competitive soccer team, picking up strength as our permanent positions became evident. We defeated our last four competitors in succession, Enfield 3, Windsor 0, and the big win for us, the fans and our school was the 2-1 win over Fermi on an excellent play by Junior Steve Magora who scored a season total of 11 goals. With our spirits high we then defeated Newington 2-0, followed by our final scheduled game in which we whopped Windham 3-0. We were very proud to display our 7-4-3 record as we were headed to the state tournament to represent Enfield.

ENFIELD vs CONARD

The State Tournament game was played against Conard on their home field. With emotions high, we represented Enfield to the best of our ability. Unfortunately we fell by a score of three to zero. We were disappointed by our loss, but not in the accomplishments of a fine 1973 season.

FIELD HOCKEY

Coach Kathleen Bromage

Led by Co-captains Kate Mullen and Nancy Beauregard, the Girls' Field Hockey Team compiled a season's record of five wins, three losses and three ties. A large turn-out in the fall found a lot of new talent in Enfield.

The season opened with a loss to a strong Windsor Locks team, followed by a tie with Conard. Their first victory came over South Windsor, by a score of two to zero. Rival Fermi handed the girls a defeat in a hard played game. A win over East Windsor, followed by defeat at the sticks of Windsor Locks, found the season half through.

The second half of the season was entirely uphill as the team was not defeated in any of their remaining games. A win over South Windsor started them off. A tie with Fermi in which the Raiders scored first and dominated the entire game, a surprising and exciting win over powerful Simsbury, and a second tie with Conard put the Girls in the newly formed State Tournament. The final game of the season was a sound defeat of East Windsor. All-in-all an equal balance of seniors, juniors and sophomores led to a satisfying and successful season.

High scorer of the season was Sophomore Sue Herter, who contributed seven goals to the Raiders' cause, followed by Senior Co-Captain Kate Mullen with six.

The Junior Varsity also had a successful season, compiling a season's record of four wins and three losses.

Tournament Enfield vs. E.O. SMITH

By compiling a season's record of 5-3-3, the Girls qualified for the State Tournament. Matched up against a powerful E.O. Smith squad, the Girls came out on the short end of a one to nothing score. The game was evenly played, with neither team overshadowing the other. It was a new experience for the team, who represented Enfield in the true Raider style.

Along with the expansion of the sports program at Enfield High came the addition of a Cross Country team. Though the fortune of this first year team was not overwhelmingly good, they show great potential for the future. Returning team members will have the opportunity to use what they have learned this season to better their individual performances, and come on strong next year.

Girl's Basketball

Hopes ran high at the beginning of the 1973-74 Girls' basketball season for a triumphant and exciting year. These hopes were realized, judging by the Varsity's record of 12-2, and the JV's undefeated season.

There were seven returning Varsity players from last year, each one talented and contributing to the spirited team effort. The remaining eleven girls supported and filled in admirably to round out the hard-working ball club.

The season was sparked by the Girls' first win, 36-32, over Conard. The team proved its capacity to work well as a unit under pressure, to play its own game and to bounce back when behind.

It seemed that nothing could slow down the Girls for their first nine games as they sped by such competitive teams as Penney, Hall, and Newington. Before a good-sized and spirited crowd, Enfield defeathered the Fermi Falcons twice for the Girls sweetest victories ever.

The Girls lost more than a game, however, when they bowed to Windsor Locks midseason. They forfeited their winning streak, and perhaps some of their confidence and spark. However, only one more game fell as a result of this disappointment, and the season was ended with an exceptional record of twelve wins and two losses. Despite rigorous preparation and an outstanding team effort, the girls failed to conquer East Haven in their first tournament game.

The Junior Varsity team was a promising group, skilled and eager. The unit played an excellent brand of ball and emerged undefeated and ready to build up and shoot for an undefeated varsity season next year.

ICE HOCKEY

Hockey has arrived back to Enfield High School after a three year absence. The high school team ended the season without winning a game, but there were many games where the score was not decided until the very end. Many of the games were lost in the last period, indicating a lack of depth as the main reason for not winning. This situation is not anticipated for the coming year, however.

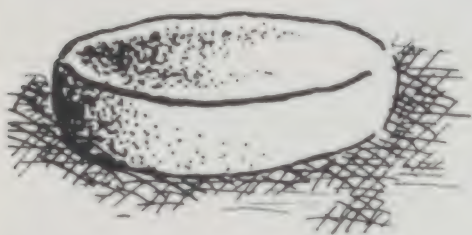

Some of the stand-outs for the team were: Wendell Grigely, captain; Tim Grigely; Jeff Toohey; Norman Des-Roches; Rene Morrisette; and Jack McDonald.

One thing is for sure, and that is that the players coming back for next year's season are anxious to rewrite the records of this year.

Boy's Swimming

The Enfield High Boys' Swim Team enjoyed an improved season in their second year of competition. The team, composed mostly of sophomores and juniors, finished the year with a record of 3-7.

The young team, coached under the watchful eye of Bill Teed, lost their first meet to a tough Windsor Locks team. However, the hard working swimmers rebounded and beat Suffield Academy. The young tankers, looking forward to the tough competition of the CCIL next year took on tough opponents for the valuable experience. Hence they lost the next six meets to some of the top schools in the area. With the experience gained they came out victors in the last two meets of the year, beating Wilcox Tech of Meriden and Suffield Academy again. Next years' veteran team is hoping for an even better season.

Junior Bill Snow qualified for the state tournament again this year. Next year he will hopefully be joined by those who barely missed qualifying this year.

All previous school records were broken, being replaced by new ones that were drastically lower. Hopefully these will not remain records for long, as the team gains new heights through the experience of competition.

WRESTLING

After a five year absence due to a cut in the town budget, wrestling has returned to Enfield High School. The team, made up of mostly sophomores, and juniors, had to forfeit winning in order to gain experience. The highlight of the season was the first Enfield-Fermi meet in which we drubbed the Falcons by a score of 35-24.

Team Co-captains were Mike Peluso and Most Valuable Player award winner Paul Roy, who had a record of 7-5-1. The team ended the season with a record of 3-11. The victories were over Kent Academy, RHAM High School, and Fermi.

On March 2, the team competed in the District Five Championships in which Paul Roy came home with a fourth place award, and Dave Flower, Dave Gillen, Jerry LeCasse and Jeff Curtiss with fifth place awards.

With fourteen boys returning and nineteen freshmen coming up from J.F. Kennedy's undefeated team, the building program has indeed begun. — J.C. and J.A.
